

# BETTER DRINKING CULTURE

Alcohol...  
It's something many of us love,  
despite the not so occasional  
hangover.

However, more people are  
choosing to live with lower  
alcohol intake, or even an  
alcohol-free lifestyle. With this  
new focus, we've rethought our  
approach to our Neon Pigeon  
cocktails. Equal rights for all,  
equal drinks for all.

## EAT DRINK BELONG

With full alcohol, half alcohol or  
zero alcohol. Keep your eyeballs  
open for the key below that is  
attached to all of our cocktails:

This cocktail is one hundred  
percent alcohol free

This cocktail has half as much booze  
as a typical cocktail

This is a traditional style cocktail  
with all the booze you'd expect
